### **OUR MISSION**

Kitchen Campus is a nonprofit organization, established in 2014 by Chef Johnny Hernandez, with a mission to connect today's youth to culinary opportunities through education and advocacy.

San Antonio's only out-of-school program provides middle and high school age students with an opportunity to learn about food, nutrition, and cooking while exploring careers in the culinary industry. Activities include hands-on cooking classes, lectures, field trips and guest chef workshops.

Dear Community Partner,

I am thrilled to be sharing news about our 10th Annual HEB High School Paella Challenge. We are excited about the potential for growth as business and community members realize the importance of investing in our future student culinarians.

Today more than ever the restaurant industry needs your support, and part of our work aims to help re-build our Hospitality workforce. The most recent challenge of the global pandemic demonstrated more than ever the steady and resilient workforce required to maintain and develop San Antonio's unique and storied UNESCO Creative City of Gastronomy.

We are pleased to present our high school paella challenge sponsorship package. Please review the enclosed details to learn more about how you can be a part of building our future Chefs.

Thank you for considering Kitchen Campus as a part of your gift-giving.

Sincerely,

Chef Johnny Hernández
